A note from your president

Membership is the life blood of our organisation, we need membership to show strength and maintain a voice in our community. We need membership to continue the fight for pay equity, eradicating domestic violence, elevating the status of women and offering women personal and professional development opportunities to increase their skills and knowledge for the workplace.

Caboolture BPW continues to be a strong club with the largest membership in Australia, it is our hope and wish to you that we continue to keep this strength. You can access this information for renewals on our web site, please print of the forms and bring them with you to Breakfast to renew your membership, or scan them along with payment details to vpip@bpwcaboolture.com.au.

We saw the opening of the going cheap project which was a brilliant event and BPW was well represented, thank you all for your kind donations of raffles.

The constitution committee is working hard to make our constitution more contemporary and bringing it in line with BPW Australia and the modern model rules.

COMMITTEE MEETINGS

Our Committee meets on the third Tuesday of every month at Morayfield Tavern (excd. Dec). These meetings are held in the small room to the right of the bar area where our monthly breakfasts take place. All financial members are welcome to attend a great way to gain a greater understanding of the goings on behind the scenes of your Club and have your say.

EVENT - Women's networking event in IPSWICH

"This was bad news that turned out to be great news."

We were all set to host our BPW event in Ipswich until The Council were unable to quarantine the funds needed to host the event. However, they have asked us to postpone it for 4-6 weeks which means, IT IS STILL HAPPENING. This has turned into great news as there is a BPW Member At Large' living in Ipswich (a 'Member At Large' is a member who pays their fees but has no official club to attend/join). She is ecstatic about the turn of events. There is talk of already having 10 women lined up who are interested in joining as new members and potentially forming a second club in Queensland. This is great news for QLD as well as BPW Australia.

Attend this month's breakfast for further information!

Please feel free to give me a call if you have questions or just want to chat about it or president@bpwcaboolture.com.au or 0433 943 395

It's no wonder why many women feel less than adequate at the *negotiating table*. Role models of effective negotiators have traditionally been men, making it difficult for many women to find a comfortable *and* effective negotiating style.

When it comes to successful women negotiators, Sallyanne has a long list of accolades and roles. She may best be known locally as the first and only woman as Lord Mayor of Brisbane in 1985. She played an instrumental role in negotiating what we now know as Southbank.

In this interactive workshop, Sallyanne will walk us through her real experience accounts as well as tactical strategies on how to be a better negotiator. As an attendee, you can expect to leave feeling confident in negotiating with suppliers, business leases, salary negotiations of

all types or even just buying your own car (yes, without a man present).

Seats are strictly limited, get in early to avoid disappointment.

"The art of negotiation is vital not only in business and politics but also in everyday life."
